Healthier kids, brighter futures

Why are we who we are?

Children's Medical Research Institute
2011 Addendum
**Office Bearers**

**Patron**
- Her Excellency Professor Marie Bashir AC CVO, Governor of NSW

**Management Executive Group**
- Roger Reddel BSc (Med) MBBS PhD FRACP Director
- Patrick Tam BSc (Hons) MPhil PhD EuroProBiol CBiol FAA FIBiol FRS Deputy Director
- Greg Craig MPhil (Arch) Grad Dip Fac Mgt Grad Dip Opt Head of Operations
- Ralph Mitchell B Com CA Chief Financial Officer & Company Secretary
- Stephen Ryall BHA FFIA MAUSAE AMAMI General Manager Philanthropy & Community Relations (long service leave)
- Annette Delaney Strategic Development Manager (until April 2011)
- Jane Endacott Head of Fundraising

**Grants Advisory Committee**
- Phil Robinson BSc (Hons) PhD (Chair)
- Antony Braithwaite BSc, MSc (Hons) PhD
- Hamish Campbell BSc (Hons) PhD
- Megan Chircop BSc (Hons) PhD
- Samantha Ginn BSc (Hons) PhD
- Jeremy Henson BSc (Hons-Biochem; Maths) MBBS PhD (from November 2011)
- Raj Paramanathan (until October 2011)
- Gregory Pelka BSc (Hons) PhD (until December 2011)
- Hilda Pickett BSc PhD (until November 2011)
- Karina Porter BMedChem(Hons)

**Work Health & Safety Committee**
- Scott Cohen BSc PhD Chemistry (Chair)
- Julie Bartley
- Amanda Capes-Davis
- Greg Craig MPhil (Arch) Grad Dip Fac Mgt Grad Dip Opt
- Donna Cranshaw
- Ngoc Chau BChemEng (Hons) MBiomedEng
- Sharon Cunningham BSc (Hons) PhD
- Robert Denne
- Dean Hutchison
- Shelley Dimech
- Vanessa Jones BSc (Hons)
- Nathan Khawly
- Doreen Molasky BSc (Hons) MSc
- Elsa Moy BAppSc
- Jane Noble BAppSc (Biomed Sci) MSc (Med)
- Scott Page BSc (Hons) PhD
- Karina Porter BMedChem (Hons) PhD
- Sonia Tecli

**Institutional Biosafety Committee**
- A/Prof Jennifer Byrne (Chair)
- Dr Megan Chircop (Deputy Chair)
- Ms Lyndsey Bray (Secretary)
- Dr David Andresen
- Dr Hamish Campbell
- Prof John Christodoulou
- Mr Greg Craig
- Mr Mark Ornatoski
- Mrs Patti Payne
- Dr Aaron Schindeler

**Animal Care Ethics Committee**
- Ms Margaret Tipper (Executive)
- Prof Patrick Tam (Co-Chair) Children’s Medical Research Institute
- Prof Ian Alexander (Co-Chair)Children’s Hospital Westmead
- Dr Hamish Campbell Children’s Medical Research Institute
- Dr Andy Chang Children’s Medical Research Institute
- Dr Sandra Cooper
- Donna Cranshaw Children’s Medical Research Institute
- Mr David Edwards
- Dr Samantha Ginn Children’s Medical Research Institute
- Mr Peter Hutchison
- Mr Barry Philps
- Dr Aaron Schindeler Children’s Hospital Westmead
- Ms Jane Seaman Children’s Medical Research Institute
- Dr Tanya Stephens
- Dr Irma Villaflor Children’s Medical Research Institute

**BioServices Management Committee**
- Greg Craig (Chair)
- Darryn Capes-Davis
- Andy Chang
- Donna Cranshaw
- Sharon Cunningham
- Robert Denne
- Dean Hutchison
- Shelley Dimech
- Vanessa Jones BSc (Hons)
- Nathan Khawly

- Karina Porter BMedChem (Hons) PhD
- Sonia Tecli
Office Bearers continued

Scholarships Committee
• Associate Professor Tracy Bryan (Chair)
• Professor Ian Alexander
• Dr Rose Boutrose
• Dr Megan Chircop
• Dr Lorel Colgin
• Dr Mark Graham
• Associate Professor Robyn Jamieson
• Dr David Loebel
• Dr Hilda Pickett
• Professor Phil Robinson

Appointments Committee
• Professor Ian Alexander BMedSci MBBS (Hons) PhD FRACP (Paeds) CG, Children’s Medical Research Institute and Kids Research Institute, Children’s Hospital Westmead
• Professor Antony Braithwaite BSc MSc (Hons) PhD Children’s Medical Research Institute
• Professor Chris Cowell, MBBS FRCP(C) FRACP, Kids Research Institute, Children’s Hospital Westmead
• Professor Michelle Haber BSc (Psych) (Hons), PhD, Hon DSc UNSW, Children’s Cancer Institute Australia
• Professor Richard Harvey PhD FAA, Victor Chang Cardiac Research Institute
• Professor Roger Reddel BSc (Med) MBBS PhD FRACP FAA Children’s Medical Research Institute
• Professor Patrick Tam, BSc (Hons) MPhil PhD EuroProBiol CBiol FAA FIBiol FRS Children’s Medical Research Institute

Scientific Advisory – ACRF Centre for Kinomics
• Michael Crouch Director, Discovery Program for TGR BioSciences Adelaide
• Associate Professor Martin R. Larsen Protein Research Group, Department of Biochemistry and Molecular Biology, University of Southern Denmark
• Professor Ron Quinn Director, Eskitis Institute for Cell and Molecular Therapies, Griffith University, Australia

Scientific Advisory – CellBank Australia
• Associate Professor Joan Heath Ludwig Institute of Cancer Research, Melbourne (Chair)
• Professor Sean Grimmond Institute for Molecular Bioscience, Brisbane
• Professor Richard Lake University of Western Australia, Perth
• Dr Annette Lasham University of Western Australia, Auckland, New Zealand
• Professor Liz Musgrove Garvan Institute, Sydney
• Professor Heddy Zola SA Pathology, Adelaide

Cancer Consumer Panel
• Trish Friend, Judith Hyam Trust
• Marcus Gerlich, Parent Liaison, Children’s Hospital Westmead
• Diana Mahony, Judith Hyam Trust
• Jennifer Philips, Community Relations Office, Children’s Medical Research Institute
• David Sallows
• Kostas Zafeiropoulos

Fundraising Advisory Board
• Mark Couter (Chair) General Manager Asset Finance, Commonwealth Bank of Australia
• Jane Endacott (Deputy Chair & Secretary) General Manager Fundraising, Children’s Medical Research Institute
• Michelle Gamble Founder & Chief Angel of Marketing Angels
• John Glover CEO, Pendragon
• Markus Preston Group Managing Director, The Preston Group
• John Studdert Executive Chairman, Ogilvy Public Relations Australia and Regional Director, Ogilvy Public Relations Asia Pacific
• Daniel Todd Managing Director, Bush Australia
• Martin Whelan General Manager Marketing, Commonwealth Bank of Australia

Our People continued
Staff and Students

Director
• Roger Reddel BSc (Med) MBBS PhD FRACP FAA Unit Head, Director CMRI, Lorimer Dods Professor, Faculty of Medicine, University of Sydney

Director’s Office
• Margaret La Rosa JP Executive Assistant to the Director (until July 2011)
• Michelle Demos Executive Assistant to the Director (from June 2011)

Deputy Director
• Professor Patrick Tam BSc(Hons) MPhil PhD CBiol EurProBiol FAA FSB, FRS Unit Head, Deputy Director CMRI, NHMRC Senior Principal Research Fellow, Professor, Discipline of Medicine, Sydney Medical School, University of Sydney

Human Resources
• Sonia Tecli Manager
• Blake Fitzgerald Student

Operations
• Greg Craig MPhil (Arch) Grad Dip Fac Mgt Grad Dip Opt Mgt Head of Operations
• Donna Cranshaw Personal Assistant to Operations Manager
• Robert Denne Maintenance Officer
• Li Liu Laboratory Assistant
• Doreen Molasy BSc (Hons) MSc Laboratory Manager
• Nancy Rial Laboratory Assistant
• Ella Razzo Laboratory Assistant
• Mila Tittel BA (Hons) Dip Ed MAppLing Senior Technical Officer

Information & Communications Technology
• Darryn Capes-Davis BE (Hons) ICT Manager
• Artur Gibalka Dip Software Dev CCNA Network Administrator and Desktop Administrator
• Nathan Khawly Service Desk Analyst
• Bill Kotisfas Applications Support Officer, Storage and Backup Administrator
• Evan Melanie BA (Inf Sys) Network Security, Active Directory and Exchange Administrator
• Payal Purani BSc PGGradDipCompApp GradDipBusComp Bespoke Application Developer and SQL Administrator
• Alvin Sebastian BA BLaws Dip Bus Bespoke Application Developer and SQL Administrator

Information & Communications Technology Project Team
• John Dawlings ICT Project Manager
• Robert Burns Technology One Specialist
• Christian Castaneda B Bus (Comp & Inf Sys) Senior Business Analyst (till Dec 2012)
• Palak Patel B Comm MBA Technical Analyst

Finance
• Ralph Mitchell B Com CA Chief Financial Officer & Company Secretary
• Deepa Desikan Financial Accountant
• Siddharth Gandhi Accounts Payable Officer
• Dean Hutchinson Payroll Officer
• Lyra Medalle Management Accountant
• Viral Variava CPA Finance Manager
• Yanlin Zhu Assistant Accountant

Marketing & Communications
• Melissa Nassif Marketing Manager (maternity leave from May 2011)
• Suzy Sotirias Marketing Manager then Head of Marketing and Communications (from November)

Fundraising
• Jane Endacott, Head of Fundraising (from January until October 2011)
• Julijana Trifunovic Dip HSc MFIA National Campaign Manager (until March 2011)
• Nickie Flamouros, National Campaign Manager (from March 2011), Community Development
• Stephen Ryall BHA FFIA MAUSAE AMAMI General Manager Philanthropy & Community Relations
• Mary Donnelly Events Manager
• Jodie Mariner Jeans for Genes Coordinator
• Christine McGee Dip PR MFIA Special Events Manager
• Jennifer Philips Community Relations Manager
• Nermeen Yacoub Jeans for Genes Community Coordinator
• Helena West Community Relations Assistant
• Raj Paramanathan Trusts and Foundations National Manager (until October 2011)

Fundraising Development & Supporter Services Team
• Julia Cognet Fundraising Development Manager
• Marjana Kurvociev Receptionist
• Rameshika Perera Business Solutions Analyst
• Kylie Ritson Supporter Services Manager
• Karla Wild Donor Development Officer

BioServices
- Irma E. Villaflor DVM, MPVM, MANZCVSc (Med. & Mgt. of Lab Animals), Cert. LAM (UofGuelph) Veterinary Manager
- Mehtap Baserdem Animal Technician
- Shelley Dimech Animal Technician
- Joshua Hawkey Animal Technician
- Melissa Jones Animal Technician
- Bronwyn O’Neill Casual Animal Attendant
- Megan Reddel Animal Technician
- Alison Richards Animal Technologist
- Vanessa Scott Casual Animal Attendant
- Joshua Snow Casual Animal Attendant

Biomedical Proteomics Facility and ACRF Centre for Kinomics (supported by the Ramaciotti Foundation)
- Valentina A. Valova BSc (Biotech) MSc (Biotech) MAppSc (Biopharm) Senior Research Officer and Facility Manager
- Peter Hains BSc (Hons) Facility Senior Research Officer

CellBank Australia
- Jonathan Arthur BSc (Hons), PhD, GAICD, Associate Professor University of Sydney, Chief Technology Officer, Manager CellBank Australia
- Elsa Moy BAppSc Research Officer (part-time)
- Samath Pen BSc (Physiol) MSc (Mol Biol) Research Assistant
- George Theodosopoulos BSc Research Officer
- Amanda Capes-Davis, Honorary Scientist, CellBank Australia

Members of Cancer Research Unit in 2011
- Roger Reddel BSc (Med) MBBS PhD FRACP FAA Unit Head, Director CMRI, Lorimer Dods Professor, Faculty of Medicine, University of Sydney
- Melissa Abas BMEdSc (Hons), PhD student (from March 2011)
- Meagan Aplin BMEdSc (Hons), Research Assistant
- Lisa Bellfiore Undergraduate Summer Student (November 2011 – January 2012)
- Kylie Bower BBiotech (Hons) MSc, Research Officer
- Ying Cao BSc (Med) MMEdSc (Biochem) PhD, Postdoctoral Research Officer
- Andy Chang BSc (Hons) PhD, Senior Postdoctoral Research Officer
- Lorel Colgin BSc PhD, Senior Postdoctoral Research Officer (maternity leave from April 2011)
- Elizabeth Collins BAppSc (Med Lab Sc), Research Administrator
- Dimitri Conomos BSc (MBG) (Hons), PhD Student
- Jeremy Henson BSc (Hons-Biochem; Maths) MBBS PhD, Research Fellow and Senior Postdoctoral Research Officer
- Lily Huschtscha BSc (Hons) PhD, Senior Postdoctoral Research Officer (part-time)
- Wei-Qin Jiang MSc PhD, Senior Postdoctoral Research Officer
- Zeenia Kaul BSc, PhD Student, supported by Judith Hyam Memorial Fund (until March 2011)
- Carolyn McNees BSc (Hons) PhD, Postdoctoral Fellow and Research Officer (maternity leave)
- Christine Napier BSc MSc PhD Postdoctoral Fellow and Research Officer
- Axel Neumann Dipl Biol PhD, Senior Research Officer (Part-time PhD student until May 2011)
- Jane Noble BAppSc (BioMed Sc) MSc (Med), Laboratory Manager and Senior Research Officer (part-time)
- Hilda Pickett BSc PhD, Research Fellow and Senior Postdoctoral Research Officer
- Michael Stutz BSc (Hons), Research Assistant (from April 2011)

Members of Cell Biology Unit in 2011
- Tracy Bryan BSc (Hons) PhD Unit Head, Associate Professor, Faculty of Medicine, University of Sydney
- Julie Jurczyulk BSc (Hons) Research Assistant
- Omessa Perera BSc (Hons) PhD student
- Karina Porter BMEdChem (Hons) PhD Postdoctoral Fellow
- Natsuki Sasaki BEnvSc(Hons) Research Assistant
- Josh Stern BA&Sc PhD Cancer Institute NSW PhD Scholar
- Christopher Tomlinson MChem (Hons) PhD Postdoctoral Fellow
- Adrian Tong BSc (Hons) PhD Student
- Katherine Zyner BMEdSci (Hons) Cancer Institute NSW PhD Scholar

Members of Cell Cycle Unit in 2011
- Megan Chircop (nee Fabbro) BSc (Hons) NHMRC Biomedical Career Development Award Fellow
- Rose Boutros BSc (Hons) PhD CJ Martin Fellow
- Peter Hains BSc (Hons) PhD Senior Research Officer
- Emma Kettle BSc MSc Research Assistant (part-time)
- Audrey Lian BBiologySc (Hons) PhD Student
- Maggie Ma BSc Bioinfo (Hons) PhD Student
- Scott Page BSc (Hons) PhD Research Assistant
- Swetha Perera BSc MSc Research Assistant
- Charlotte Smith BSc (Hons) PhD Student
- Anna Sorensen BSc Masters Student
- Xia Yang BSc PhD Research Officer
Members of Cell Signalling Unit in 2011

- Phillip Robinson BSc (Hons) PhD Unit Head, NHMRC, Senior Principal Research Fellow, Professor of the Faculty of Medicine, University of Sydney; Professor of Chemistry, The University of Newcastle
- Lingshan Chan BBiomedSc (Hons) Douglas and Lola Douglas PhD Scholar
- Ngoc Chau BChemEng (Hons) MbiomedEng Drug Discovery Program Manager
- Michael Collett BSc (Hons) PhD Student
- James Daniel BSc (Hons) PhD Research Officer
- Mark Graham BSc (Hons) PhD NHMRC Biomedical Career Development Award Fellow
- Nick Gorgani MB BS PhD Senior Research Officer
- Debbie Hanson Personal Assistant to Head of Cell Signalling Unit
- Nicole Honeyman BSc MSc Research Assistant
- Sanket Joshi BSc (Biotech) MBiotech PhD Student - joint with Cell Transformation Unit
- Sai Krishnan BSc (Hons) PhD Student
- Jonathan Lloyd BSc Research Assistant
- Lin Luo BSc (Hons) PhD Student (until September 2011)
- Anna Mariana BBiotech Adv (Hons) PhD Student
- Linda Miller BSc MSc PhD Research Officer
- Lia Moshkanbaryans BScAdv (Hons) PhD Student
- Aimee Novelle BSc (Hons) Research Assistant (until February 2011)
- Annie Quan BSc (Hons) MComm Laboratory Manager/PhD Student
- Sushma Rao BSc MSc PhD Research Officer
- Robin Stone BSc BMed Chem (Adv) (Hons) Research Assistant
- Valentina A. Valova BSc (Biotech) MSc (Biotech) MAppSc (Biopharm) Senior Research Officer and Manager, Biomedical Proteomics Facility including “The ACRF Centre for Kinomics (supported by Ramaciotti Foundation)”
- Ainslie Whiting BSc (Hons) Research Assistant
- Jing Xue BSc MSc PhD Senior Research Officer
- Christina Heinlein Dipl-biol. Dr. rer. nat. Postdoctoral Fellow
- Weini Ma BSc (Hons) Research Assistant (until May 2011)
- Reena Mehta BSc MSc PhD Research Assistant (until June 2011)
- Carina Mehta BSc (Hons) Research Assistant/Masters Student
- Sunmi Rubio BSc (Hons) Research Assistant/Masters Student
- Daniel Speidel Dipl-Biochimiker Dr. rer. nat. Senior Research Officer, Conjoint Senior Lecturer, University of Sydney – Sydney Medical School

Members of Embryology Unit in 2011

- Professor Patrick Tam BSc(Hons) MPhil PhD CBiol EurProBiol FAA FSB, FRSM Unit Head, Deputy Director CMRI, NHMRC Senior Principal Research Fellow, Professor, Discipline of Medicine, Sydney Medical School, University of Sydney
- Heidi Bildsoe BSc MSc PhD Student, NHMRC Biomedical Postgraduate Scholar
- Nicolas Fossat BSc (Hons) MSc PhD Sir Norman Gregg Research Fellow
- Keren Francis BSc MSc PhD Research Officer
- Angelyn Hor BMedSci (Hons) Research Assistant
- Kenny Ip BSc (Hons) PhD Student, University of Sydney International Postgraduate Scholar and Australian Postgraduate Award Scholar
- Vanessa Jones BMEdSci (Hons) Senior Research Assistant
- Yoji Kojima MD PhD Research Officer and Manpei Suzuki Diabetes Foundation and Uehara Foundation Post-doctoral Fellow
- David Loebel BSc (Hons) PhD Kimberly-Clark Australia Research Fellow
- Gregory Pelka BSc (Hons) PhD NHMRC Peter Doherty Australian Biomedical Fellow (until December 2011)
- Melinda Power BSc (Hons) Senior Staff Scientist
- Tania Radziewicz BM Biotech TechCert Senior Staff Scientist
- Jane Seaman Personal Assistant to the Unit Head and Deputy Director
- Joshua Studdert BSc (Hons) Staff Scientist
- Kirsten Steiner BSc (Hons) MSc Senior Staff Scientist
- Karin Tourle MSc Research Assistant

Members of Cell Transformation Unit in 2011

- Antony Braithwaite BSc MSc (Hons) PhD Unit Head, Cancer Institute NSW Program Leader, Professor, Faculty of Medicine, University of Sydney, Adjunct Professor of Pathology, University of Otago, New Zealand
- Tariq Al Jabry BBiotech BSc (Hons) PhD Student
- Hamish Campbell BSc (Hons) PhD Postdoctoral Fellow, Conjoint Lecturer, University of Sydney – Sydney Medical School
- Scott Cohen BSc PhD (Chemistry) Senior Research Officer

• Department of Genetics, Melbourne University (invited seminar)
• Ludwig Institute for Cancer Research, Melbourne (invited seminar)
• AusBiotech 2011, Adelaide (invited speaker)
• Fundación Ramón Areces International Symposium, Madrid, Spain (invited speaker)

Jeremy Henson
• Australasian Sarcoma Study Group Research Meeting, Melbourne (oral presentation)
• Children’s Medical Research Institute, Sydney (invited speaker)
• Children’s Cancer Research Unit Research Meeting, The Children’s Hospital at Westmead, Sydney (invited speaker)

Hilda Pickett
• Telomeres and Telomerase 2011, Cold Spring Harbor, New York, USA (selected oral)

Cell Biology Unit

Tracy Bryan
• MRC Laboratory of Molecular Biology, Cambridge, UK (invited seminar)

Karina Porter
• 3rd International Conference on Quadruplex DNA, Sorrento, Italy (oral presentation)

Cell Cycle Unit

Megan Chircop
• Dynamin inhibitors are a new class of anti-mitotic agents with anti-cancer properties. Hunter Medical Research Institute, Australia (invited speaker)

• Path to a successful independent scientific career. Hunter Medical Research Institute, Australia (invited speaker)

Rose Boutros
• A non-centrosomal role for centrin 2. Cancer Research Centre Toulouse, France (invited speaker).
• A non-centrosomal role for centrin 2. Centre Recherche Biochimie Macromoleculaire, Montpellier France (invited speaker).

Audrey Lian
• IQGAP1: a possible anaphase - promoting complex (APC) substrate in glioblastoma cells. The 11th Hunter Cellular Biology Meeting, Pokolbin, NSW (poster presentation).

Maggie Ma
• The sorting nexin 9 (SNX9) subfamily is required for mitotic progression. Gordon Research Seminar – Cell Growth and Proliferation, University of New England, Maine, USA (oral presentation)
• The sorting nexin 9 (SNX9) subfamily is required for mitotic progression. Gordon Research Conference – Cell Growth and Proliferation, University of New England, Maine, USA (poster presentation)

Scott Page
• Time-lapse microscopy: Cell Voyager system trial for imaging cell division. The 11th Hunter Meeting, Pokolbin, NSW (oral presentation)

Swetha Perera
• Development of inhibitors targeting the endocytic proteins, dynamin and clathrin, as a new therapeutic approach for the treatment of cancer. The 5th Barossa Meeting, SA (poster presentation)

Xia Yang
• Quantitative phosphorylation analysis of endocytic proteins during mitosis. 23rd biennial Australian and New Zealand Society for Mass Spectrometry (ANZSMS) conference, Fremantle, WA (poster presentation)
**Cell Signalling Unit**

**Maggie Ma**
- The sorting nexin 9 (SNX9) subfamily is required for mitotic progression. Gordon Research Seminar – Cell Growth and Proliferation, University of New England, Maine, USA (oral presentation)
- The sorting nexin 9 (SNX9) subfamily is required for mitotic progression. Gordon Research Conference – Cell Growth and Proliferation, University of New England, Maine, USA (poster presentation)

**Lia Moshkanbaryans**
- Electrical field stimulation of synaptosomes. The Neuroscience and Mental Health Theme, University of Sydney (poster presentation)

**Annie Quan**
- Phosphorylation of Syndapin I F-BAR domain regulates membrane tubulation. Symposium 41 - Signalling at the Level of Tissue and Organs, ComBio2011, Cairns Convention Centre, Cairns, QLD (oral presentation)
- Phosphorylation of Syndapin I F-BAR domain regulates membrane tubulation. Oral-Session 1 - Synaptic Transmission, 31st Annual Australian Neuroscience Society (ANS) Meeting, Auckland, New Zealand (oral presentation)

**Sushma Rao**
- The Cdk5 regulated phosphoproteome of synaptic vesicle endocytosis. HUPO 10th Annual world congress, Geneva, Switzerland (poster presentation)

**Xia Yang**
- Quantitative phosphorylation analysis of endocytic proteins during mitosis. 23rd biennial Australian and New Zealand Society for Mass Spectrometry (ANZSMS) conference, Fremantle, WA (poster presentation)

**Mark Graham and Phil Robinson**

**Cell Transformation Unit**

**Hamish Campbell**
- Children’s Cancer Research Unit, The Children’s Hospital at Westmead, NSW (invited seminar)
- University of Technology of Sydney, School of Medical and Molecular Biosciences Institute, Centre for Health Technologies, Sydney (invited seminar)

**Daniel Speidel**
- DNA damage induced cell cycle alterations and cancer: ex vivo concepts, in vivo veritas. University Hospital Würzburg, Germany (invited seminar)
- DNA damage induced cell cycle alterations and cancer: ex vivo concepts, in vivo veritas.
- Georg Speyer Haus – Institute for Biomedical Research, Frankfurt, Germany (invited seminar)
- Cellular stress responses in tissues. Children’s Medical Research Institute, Sydney (invited seminar)

**Embryology Unit**

**Patrick Tam**
- Morphogenesis of the head and craniofacial primordial: Intersection of transcriptional and signaling activity. International Symposium on Shaping the Future of Craniofacial Sciences and Therapeutics, Peking University School of Stomatology, Beijing, China (invited speaker)
- Genetic and signalling activity influencing the morphogenesis and differentiation of the definitive endoderm. Cold Spring Harbor Asia Conference on Developmental Control of Sex, Growth and Cellular Fate, Suzhou, China (plenary speaker)
- Genetic and signalling activity influencing the morphogenesis and differentiation of the definitive endoderm. ComBio2011, Cairns, QLD (invited speaker)
- Development of the embryonic gut: signals and molecular switches. National Association of Research Fellows Symposium, Brisbane, QLD (invited speaker)
- Intersection of transcriptional and signalling activity for tissue morphogenesis in mouse embryos. 5th Barossa Meeting: Cell Signalling and Molecular Medicine, SA (invited speaker)
- Genetic and signaling activity influencing the morphogenesis and differentiation of the definitive endoderm. ComBio2011, Cairns, QLD (invited speaker)
Robyn Jamieson
- Genomic structural rearrangements, next-generation sequencing and novel genes in eye disease. Australian Ophthalmic and Vision Science Meeting, Canberra, ACT (invited speaker)
- Retinal Dystrophy Genetics. The 26th Asia Pacific Academy of Ophthalmology Congress, Sydney (invited speaker)
- Next-generation sequencing and novel genes in eye and other developmental disorders. ComBio2011, Cairns, QLD (oral presentation)
- Investigation of critical factors in eye anterior segment development aided by next-generation sequencing in a chromosomal anomaly family. ComBio2011, Cairns, QLD (oral presentation)
- Next-generation sequencing identifies transection of a neurotransmitter-release gene in a retinitis pigmentosa patient with a chromosomal anomaly. Australian Ophthalmic and Vision Science Meeting, Canberra, ACT (oral presentation)

Rebecca Greenlees
- Investigation of a RapGap/PDZ Gene Mutated in Human Eye Disease. Australian Ophthalmic and Vision Science Meeting, Canberra, ACT (oral presentation)

Nicolas Fossat
- LIM-homeobox transcription factor Lhx1 genetically interacts with WNT inhibitor Dkk1 in the anterior axial mesendoderm of the mouse gastrula for head formation. ComBio2011, Cairns, QLD (oral presentation)
- Head formation: Intersection between WNT signalling inhibitor Dkk1 and transcription factor Lhx1. Westmead Hospital Week, Westmead, NSW (poster presentation)

Yoji Kojima
- Characterization of mouse epiblast stem cells derived from gastrula-stage embryos. 44th Annual Meeting of the Japan Society of Developmental Biology, Japan (poster presentation)
- Pluripotency in epiblast and stem cells. NSW Stem Cell Network Meeting, Sydney (oral presentation)

David Loebel
- Correct anterior-posterior patterning of the mouse forelimb requires Twist1 in the forelimb anterior mesenchyme. ComBio2011, Cairns, QLD (poster presentation)
- Control of epithelial organization, morphogenesis and differentiation of the gut endoderm. Regeneration and Development Symposium, Kolling Institute, Sydney (invited presentation)

Ivan Prokudin
- Wnt signalling in early eye development. Australian Ophthalmic and Vision Science Meeting, Canberra, ACT (poster presentation)

Saira Yousoof
- Efficient breakpoint mapping and candidate gene identification in eye anterior segment dysgenesis by next-generation sequencing. Australian Ophthalmic and Vision Science Meeting, Canberra, ACT (poster presentation)

Other (CMRI co-presenter)
- Wang X, Cheung M, Tam PPL, Briscoe J, Chan D. Molecular consequences of Indian hedgehog mutations causing brachydactylies. Gordon Conference in Cartilage Biology and Pathology
- Kaur S, Gold WA, Williamson SL, Gibson JH, Pelka GJ, Tam PPL, Christodoulou J.
- Cardiolipin synthase – A novel basis for the mitochondrial respiratory chain defects in the MeCP2tm1 Tam Rett mouse model? Conference of Human Genome Organization
Seminars and Presentations continued

**Gene Therapy Unit**

**Sharon Cunningham**
- shRNA-mediated induction of severe hyperammonemia in the OTC-deficient SPF(ash) mouse to assess the challenges of neonatal therapy with rAAV. 7th Biennial Meeting of the Australasian-Gene-Therapy-Society, University of Melbourne, Bio21 Inst, Parkville, VIC (oral presentation).
- rAAV gene therapy for severe neonatal OTC deficiency: addressing the translational challenges in moving towards human therapy. Liver Down Under: Liver Development, Disease and Regeneration, Perth, WA (oral presentation)

**Allison Dane**
- Characterising AAV vectors targeting the liver in humanised mouse model. European Society for Gene and Cell Therapy Meeting, Brighton, UK (poster presentation)
- Investigating transgene expression across the hepatic lobule after rAAV-mediated gene delivery. 7th Biennial Meeting of the Australasian-Gene-Therapy-Society, University of Melbourne, Bio21 Inst, Parkville, VIC (oral presentation)

**Claire Deakin**
- Construction and validation of a barcoded lentivirus stock for investigating safety and efficacy of gene therapy for X-linked severe combined immunodeficiency. 7th Biennial Meeting of the Australasian-Gene-Therapy-Society, University of Melbourne, Bio21 Inst, Parkville, VIC (poster presentation)
- Investigating gene therapy researcher’s assessment of risks in clinical trials. 7th Biennial Meeting of the Australasian-Gene-Therapy-Society, University of Melbourne, Bio21 Inst, Parkville, VIC (poster presentation)

**Gustavo de Alencastro**
- Murine somatic cell reprogramming to pluripotency and differentiation into hepatocytes. 7th Biennial Meeting of the Australasian-Gene-Therapy-Society, University Melbourne, Bio21 Inst, Parkville, VIC (poster presentation)
- A lentiviral-based reporter approach to track the differentiation of murine pluripotent stem cells into cells of the endoderm/hepatic lineage. Liver Down Under: Liver Development, Disease and Regeneration, Perth, WA (poster presentation)

**Claus Hallwirth**
- Generation and analysis of a highly complex γ-retroviral vector integration site dataset from human CD34+ cells using Illumina next-generation sequencing. 7th Biennial Meeting of the Australasian-Gene-Therapy-Society, University of Melbourne, Bio21 Inst, Parkville, VIC (oral presentation)

**Cindy Kok**
- Transfer of AAV-specific maternal antibodies in breast milk impeded vector delivery to juvenile mice. 7th Biennial Meeting of the Australasian-Gene-Therapy-Society, University of Melbourne, Bio21 Inst, Parkville, VIC (oral presentation)
- Rescue of the neonatal lethal phenotype of the citrullinaemic knock-out mouse using rAAV vectors for liver-targeted gene delivery. Liver Down Under: Liver Development, Disease and Regeneration, Perth, WA (oral presentation)

**Sophia Liao**
- Lymphomagenesis in SCID-X1 mice following immunological reconstitution correlates with progenitor cell dose: does replicative stress play a role? 7th Biennial Meeting of the Australasian-Gene-Therapy-Society, University of Melbourne, Bio21 Inst, Parkville, VIC (poster presentation)

**Grant Logan**
- Can mice be tolerised to AAV capsid proteins to enable vector re-administration? 7th Biennial Meeting of the Australasian-Gene-Therapy-Society, University Melbourne, Bio21 Inst, Parkville, VIC (poster presentation)
- Engineering adeno-associated viral vectors to avoid anti-vector immunity. Liver Down Under: Liver Development, Disease and Regeneration, Perth, WA (poster presentation)

**Susan Siew**
- Overcoming obstacles to constructing rAAV vectors for progressive familial intrahepatic cholestasis type 3. 7th Biennial Meeting of the Australasian-Gene-Therapy-Society, University of Melbourne, Bio21 Inst, Parkville, VIC (poster presentation)

**Maolin Zheng**
- Engineering induced pluripotent stem cells (IPSC) reporter lines using adeno-associated virus (AAV) mediated homologous recombination. 7th Biennial Meeting of the Australasian-Gene-Therapy-Society, University of Melbourne, Bio21 Inst, Parkville, VIC (poster presentation)
Cancer Research Unit

Roger Reddel

**Membership of Review and Advisory Committees**
- Research Committee, Cure Cancer Australia Foundation Chair
- University of Sydney Cancer Research Network Translational Working Group 2009-present Chair
- Cure Cancer Australia Foundation Director
- Cancer Australia/Cure Cancer Australia Foundation Priority-driven Collaborative Cancer Research Scheme Grants Review Committee Member
- Medical Grants Advisory Committee, Cure Cancer Australia Foundation Member
- Scientific Appointments and Promotions Committee, Garvan Institute of Medical Research Member
- UICC Fellowships Reviewers Task Force Member
- National Health and Medical Research Council Academy Member
- Kid’s Cancer Alliance, Executive Management Group Member
- Westmead Research Hub Executive Committee and Council Member

**Journal Editor**
- Cancer Science, Wiley-Blackwell Associate Editor

**Editorial Board Member**
- Genes and Cancer
- Genome Integrity
- Molecular Cancer Research

**Associate Editor**
- Cancer Science

**Review of Grant Applications and Manuscripts**
- Biotechnology and Biological Sciences Research Council (UK)
- Heart Foundation
- National Breast Cancer Foundation
- NHMRC Project Grants
- NHMRC Fellowships
- Wellcome Trust (UK)
- Review of Scientific Manuscripts (30 for various international journals)

**Conference Organisation**
- Keystone Symposia Scientific Advisory Board Member
- Lorne Genome Conference Scientific Advisory Committee Member
- Cold Spring Harbor Laboratory Conference on Telomeres and Telomerase, Cold Spring Harbor, USA organising committee Conference Organiser and Member

**Students Mentored**
- Zeenia Kaul PhD Student
- Dimitri Conomos PhD Student
- Melissa Abas PhD Student
- Carolyn McNees Postdoctoral Fellow
- Christine Napier Postdoctoral Fellow

**Andy Chang**
- CMRI/CHW Animal Ethics Committee Category B Member

**Jeremy Henson**

**Membership of Review and Advisory Committees**
- Grants Committee, Children’s Medical Research Institute
- Grant Review Committee, Cancer Australia

**Scientists Mentored**
- Sandra Sampl, Post-doctoral Fellow, Medical University of Vienna, Austria
- Andrei Malykh, Chief Scientific Officer, Capital Biosciences, Maryland, USA

**Review of Manuscripts**
- Review of Scientific Manuscripts (for four international journals)

**Axel Neumann**
- Westmead Hub Committee for Imaging Member
- Review of Scientific Manuscripts for Journal of Cell Science
- Review of Scientific Manuscripts for Journal of Pathology

**Jane Noble**
- CMRI Workplace and Health Safety Committee

Cell Biology Unit

**Tracy Bryan**
- CMRI Postgraduate Student Coordinator
- Chair of CMRI PhD Scholarships Committee
- Academy of the National Health and Medical Research Council Member

**Review of Grant Applications and Manuscripts**
- Review of Grants (ARC)
- Review of Scientific Manuscripts (for six international journals)
- Australian National University Thesis Reviewer
- University of Sydney Thesis Reviewer

**Karina Porter**
- CMRI Work Health & Safety Committee

**Chris Tomlinson**
- CMRI Grants Advisory Committee
Services to the Scientific Community continued

Cell Cycle Unit
Megan Chircop

Membership of Review and Advisory Committees
• Deputy Chair, CHW & CMRI Institutional Biosafety Committee
• Member of CMRI Grants Advisory Committee

Editorial Board Member
• Executive Guest Editor of Current Pharmaceutical Design

Society Membership
• Australia and New Zealand Society of Cell and Developmental Biology

Embryology Unit
Patrick Tam

Membership of Review and Advisory Committees
• Scientific Advisory Board, Stem Cell Australia, Member
• Scientific Advisory Board, Australian Stem Cell Centre, Chair
• Advisory Council, RIKEN Centre for Developmental Biology, Kobe, Japan Member
• International Scientific Advisory Board, Max Planck Institute for Molecular Genetics, Berlin, Germany Member
• Scientific Advisory Board, Australian Research Council Centre of Excellence in Biotechnology and Development Member
• Scientific Advisory Board, Cold Spring Harbor Asia Conferences Member
• Scientific Advisory Board, Genome Institute of Singapore Member (ad hoc)
• Honorary Advisor Li Ka Shing Faculty of Medicine, University of Hong Kong

Journal Editor
• Development, Company of Biologists Ltd Editor (current)
• BioEssays, Wiley (Guest Editor)
• Gene Expression Patterns, Elsevier Managing Editor (to 2009)
• Mechanisms of Development, Elsevier Managing Editor (to 2009)
• International Journal of Developmental Biology, UBC Press Associate Editor (to 2010)

Editorial Board Member
• Developmental Biology
• Developmental Cell
• Developmental Dynamics
• Differentiation
• Genesis (Journal of Genetics and Development)
• International Journal of Biological Sciences
• Nature Reviews Neuroscience

Society Leadership
• Cellular Biology Meeting Inc. President (to 2011)
• Board of Directors, International Society of Differentiation Member (to 2012)

Society Membership
• Australia and New Zealand Society of Cell and Developmental Biology
• Australian Society for Stem Cell Research
• Australian Society for Medical Research
• British Society for Developmental Biology
• International Society of Developmental Biology

Cell Signalling Unit
Phil Robinson

Membership of Review and Advisory Committees
• Appointments and Promotions Committee, Neuroscience Research Australia Medical Research Institute Member

Editorial Board Member
• Current Chemical Biology
• Journal of Neurochemistry
• Neurochemical Research

Society Leadership
• National Association of Research Fellows (NARF) President

Society Membership
• Australian Neuroscience Society
• Australian Society for Biochemistry and Molecular Biology
• Australian Society for Medical Research
• International Society for Neurochemistry

Cell Transformation Unit
Hamish Campbell

• CMRI/CHW Institutional Biosafety Committee Member
• CMRI/CHW Animal Ethics Committee Scientific Member

Scott Cohen
• CMRI WH&S Chair
• Scientific Advisor for Sienna Cancer Diagnostics Ltd., Melbourne VIC

Daniel Speidel
• Westmead Research Hub Flow Cytometry Committee Member
• ResearchGATE Scientific Advisory Board Member
• German Society for Biochemistry and Molecular Biology Member
• German Society for Cell Biology Member

• Review of grants and fellowship applications for NHMRC
• Review of manuscripts for Journal of Cellular Biochemistry
• External assessor for University of Otago (NZ)
• International Society of Differentiation
• National Association of NH&MRC Research Fellows

Robyn Jamieson

Membership of Review and Advisory Committees
• Advisory Committee to Human Research Ethics Committee, The Children’s Hospital at Westmead on High Throughput Genomic Research Member
• Royal Australian and New Zealand College of Ophthalmologists Genetics Examiner
• 5th Edition Larsen’s Human Embryology Invited “Content Expert” Reviewer

Society Membership
• American Society of Human Genetics (ASHG)
• Association for Research in Vision and Ophthalmology (ARVO)
• Australia and New Zealand Society for Cell and Developmental Biology Incorporated (ANZSCDBI)
• British Society for Human Genetics (BSHG)
• Human Genetics Society of Australasia (HGSA)
• Royal Australasian College of Physicians
• European Society of Human Genetics (ESHG)

Gene Therapy Unit

Ian Alexander

Membership of Review and Advisory Committees
• CMRI/CHW Animal Ethics Committee Co-Chair
• Research Laboratory Heads Committee, The Children’s Hospital at Westmead Chair
• Muscular Dystrophy Association (NSW) – Scientific Advisory Committee Member
• University of Sydney Recombinant DNA Monitoring (Biosafety) Committee Member
• Gene Therapy Committee, International Society for Cellular Therapy Member
• Intellectual Property Committee, The Children’s Hospital at Westmead Member
• Research Council, The Children’s Hospital at Westmead Member
• Research Executive Committee, The Children’s Hospital at Westmead Member
• Research Salary Review and Grading Committee, The Children’s Hospital at Westmead Member
• Sydney Cell and Gene Therapy Steering Committee (SCGT), Westmead Research Hub Member
• Executive Committee, Westmead Research Hub Member

Journal Editor
• Current Gene Therapy, Bentham Science Publishers Associate Editor
• The Journal of Gene Medicine, Wiley-Blackwell Associate Editor
• Human Gene Therapy, Mary Ann Liebert, Inc. Editor

Society Membership
• The Australian Society for Medical Research
• The Human Genetics Society of Australasia
• Fellow of the Royal Australian College of Physicians
• American Society of Gene and Cell Therapy
• Australasian Gene Therapy Society
• European Society of Gene and Cell Therapy

Review of Grant Applications and Manuscripts
• NHMRC Project Grants GRP Member
• Grant reviews for NSW Muscular Dystrophy Association
• Grant review for Australian Cystic Fibrosis Research Trust
• Grant review for the French Federal Research Agency
• Grant review for the Netherlands Organisation for Health Research and Development, Translational Adult Stem Cell Research Programme
• Review of Scientific Manuscripts (for two international journals)

Sharon Cunningham

• The Children’s Hospital at Westmead Research Laboratories Operations Group Member
• CMRI Occupational health and Safety Committee Member
• CMRI Bioservices Management Committee Member
• Australasian Gene Therapy Society Executive Committee Member and Member
• Review of Scientific Manuscripts (for one international journal)

Samantha Ginn

• Australasian Gene Therapy Society Secretary (elected April 2009) and Member
• CMRI/CHW Animal Ethics Committee Category B Member
• CMRI Grants Advisory Committee Member
• Australian Society for Medical Research Member
• Review of Scientific Manuscripts (for one international journal)

Claus Hallwirth

• Westmead Hub Genomics Group Member
• Australasian Gene Therapy Society Member
• Review of Scientific Manuscripts (for one international journal)

Grant Logan

• Westmead Immunobiology Group Convenor
• Australasian Gene Therapy Society Member
• Review of Scientific Manuscripts (for one international journal)

Awards and Prizes

Cancer Research Unit
Roger Reddel
• Premier’s Award for Outstanding Cancer Researcher of the Year 2011

Dimitri Conomos
• Children’s Medical Research Institute PhD Scholarship
• Cancer Institute of NSW Research Scholar Award

Axel Neumann
• University of Sydney, Medical School, Peter Bancroft Prize for Research Work

Zeenia Kaul
• Children’s Medical Research Institute PhD Scholarship
• Judith Hyam Memorial Trust Fund for Cancer Research

Cell Cycle Unit
Maggie Ma
• Best PhD student oral presentation, The 2011 Sydney Imaging Group Symposium- Light, camera, action: Advanced fluorescence microscopy in biology, University of New South Wales, Sydney, Australia

Cell Transformation Unit
Daniel Speidel
• Travel scholarship from the German Scholars Organization (GSO)

Embryology Unit
Patrick Tam
• Elected Fellow of the Royal Society of London (FRS)
• Elected to be Vice-Chair of the 2014 Gordon Research Conference on Craniofacial Morphogenesis and Tissue Regeneration conference and Chair of the 2016 Conference

Gene Therapy Unit
Allison Dane
• Star Alliance Travel Scholarship

Claire Deakin
• Australasian Gene Therapy Society Annual Meeting – AGTS Student Poster Presentation Award

Cindy Kok
• Australasian Gene Therapy Society Annual Meeting – Journal of Gene Medicine Student Oral Presentation Award
• Liver Down Under: Liver Development, Disease and Regeneration Conference - Winthrop Australia Best Young Investigator Oral Presentation Award
Grants and Fellowship Awards

Cancer Research Unit

- **National Health and Medical Research Council**, Reddel R. Induction of senescence in cells that use the Alternative Lengthening of Telomeres (ALT) mechanism. $457,125

- **National Health and Medical Research Council**, Reddel R and Pickett H. Telomere structural abnormalities in cells using Alternative Lengthening of Telomeres. $504,615

- **Cancer Council NSW**, Reddel R. Alternative lengthening of telomeres: from basic biology to drug discovery. $450,000

- **Cancer Australia Priority-driven Collaborative Cancer Research Scheme Grant**, Henson J. $86,793

Cell Biology Unit

- **Cancer Institute NSW, Career Development and Support Fellowship**, Bryan T. Structural and functional analyses of telomerase, a major anti-cancer target. 2012 – 2014, $300,000

- **Cancer Council NSW Project grant**, Bryan T. Involvement of helicase DHX36 in human telomere maintenance. 2012 – 2014, $292,524

- **Cancer Council NSW Project grant**, Cohen S and Bryan T. Structure and Inhibition of the Human Telomerase Enzyme complex. 2012 – 2014, $360,000

- **Australian Postgraduate Award, PhD scholarship**, Omesha Perera. 2011 – 2013, $68,580

Cell Cycle Unit

- **NSW Cancer Council**, Chircop M, Sakoff JA, Jones NC and McCluskey A. Dynamin as a new drug target for the treatment of glioblastoma. 2011-2013, $360,000

- **Ramacioti Foundation**, Boutros R. Elucidating the role of γ-tubulin phosphorylation by cyclin-dependent kinases in centrosome assembly, and implications for chromosome mis-segregation in cancer. 2011, $75,000

Cell Signalling Unit

- **National Health and Medical Research Council Project Grant**, Robinson P, McCluskey A. Sulfonadyn-based dynamin I-specific inhibitors and epilepsy. 2012-2014, $807,862

Cell Transformation Unit

**Daniel Speidel**

- **Cure Cancer Australia Foundation**, Speidel D. DNA damage induced cell cycle alterations: how significant are they for tumour suppression and the response of different tissues to cytotoxic agents in vivo? 2012-2013, $180,000

**Scott Cohen**

**Hamish Campbell**

- **Cancer Australia/Cure Cancer Australia Foundation**, Campbell H. Mechanism of Δ133p53 isoform oncogenicity. 2012, $88,725

Embryology Unit

- **NHMRC Project Grant**, David J and Patrick T. The Essential Nuclear Transporter Importin 13; key role in brain and testis. 2012-2014, $592,350

- **NHMRC Project Grant**, Alexander I, Patrick T, Yeoh G. Cellular therapy for genetic liver disease exploiting induced pluripotent stem cells and liver progenitor cells. 2012-2014, $770,175

- **ARC Discovery Project Grant**, Patrick T and Loebel D. Molecular paradigm of organ formation during embryonic development: the role of RhoGTPase. 2012-2014, $300,000
